

*Abundant Life Center
Volunteer of the Month
Margo Dawn*

Thank you from ALC!

If one word could sum up Margo, it would be **proactive**. Her can-do and resourceful take-action attitude has been a strong support, and at times the foundation, for numerous events that have benefited our community immensely. Just two recent examples are the decade dances she partnered with Rev. Auda to launch, and the Peace and Justice Fair booth for ALC that she coordinated.

But that's not all. Her capacity for leadership has flourished in the Spiritual Leadership Team and played an instrumental role in many projects and productive meetings. Speaking of teams, she is a member of the Prayer Team and has been vital to the process of recording and writing prayers for our new website. She's also a phenomenal support to the Visibility Team with her publicity and promotion materials. Not only that, she has smoothed the process for the team of volunteer hosts as a result of the manual she and Carol put together for them – no small feat, that's for sure!

She has opened the door of her home to our community for meetings, movie nights, and simply the service of supporting visitors, and ultimately opened many hearts in return. Our community would not be complete without her, and we are grateful for the endless volunteer support she has provided us.
